FLEXIBLE PLUG-&-GO PRODUCTIONS
WITH MODULAR AUTOMATION AND MTP

ANIPLA®

OCTOBER 29th 2024

Conference Room • UCIMU Building
Viale Fulvio Testi 128 • CINISELLO BALSAMO (MI)

How pharma and fine chemicals experts see the Namur MTP-based interface benefits in modular plants, digital transition, equipment integration and automation engineering.

AGENDA

8.45 — *Registration*

9:20 — *Opening and Welcome Introduction* - **Roberto Ciccarelli**, ANIPLA Chairman

9:30 — *Conference Presentation* - **E.Birindelli / M.Banti**, ANIPLA Board Members and Advisors

9:40 — *Modular Automation with MTP: from Concept to Successful Implementation*
A.Menschner, M.Maurmaier, Executive Representatives Namur Association

10:10 — *End-User view: Why is the MTP relevant for pharmaceutical companies?*
Thomas Schick, Global Engineering Boehringer-Ingelheim GmbH (remote speech)

10:40 — *Module Manufacturer view: Macchine, connettività e MTP: l'esperienza di un'azienda leader di costruzione di macchine per il farmaceutico* - **M.Bellentani**, Product and Validation Manager MG2

11:10 — Coffee break

11:40 — *Connecting the Dots in Modular Automation: how Semodia's MTPlatform accelerates MTP implementation* - **S.Hensel**, **A.Menschner**, Managing Directors & Co-Founders Semodia GmbH

12:10 — *The role of Process Orchestration Layer (POL) in MTP architecture at Merck Darmstadt process development labs* - **G. Menin**, Director Life Sciences & Process Industry CopaData

12:40 — Lunch break

14:00 — *In pursuit of a sustainable integration approach: an MTP proof of concept in the life science industry*
R.Gemignani, PM & Senior Automation Engineer / **M.Annunziata**, Sales Manager ER Sistemi

14:30 — *MTP for enabling Plug-and-Produce Manufacturing in a multiplatform ecosystem: the case of a large fine chemical company* - **G.Micera**, Director Life Science Industry Europe Yokogawa

15:10 — Coffee break

15:30 — *MTP for modularization of process plants* - **D. Di Michele**, Technical & Sales Manager Beckhoff

16:00 — *Plug & Produce with MTP* - **J.Chavarria**, Automation & Engineering Segment Manager
C. Pignatale, Sales Solution Architecture Siemens SpA

16:30 — Round Table with Sponsors and Wrap-up at 17:15

FEES AND REGISTRATION: https://bit.ly/ModularAutomation_Italy
